Credit Union of New Jersey provides you with the freedom to prosper.

What exactly does that mean? It means we're here to provide regular people like you and me with the knowledge and ability needed to be in control of our financial lives. When you join us, you'll become a member (not a customer), as well as an owner, which entitles you to benefits you won't find at "big box banks," like:

- Low-rate loans
- Higher dividends on deposits
- Low-cost services, like our no-fee checking account
- Voting rights at our annual meeting

"The Freedom to Prosper" means you'll find that Credit Union of New Jersey is the place to go when you need guidance and the ability to soar. Our entire team is ready, willing and able to help our hard-working people to plan and execute short, medium and long-term financial strategies, then move them toward prosperity.

What else do you need to know about us? We were incorporated in 1943 to serve State Highway Department employees. Today, we have \$350 million in assets and we serve nearly 40,000 members from more than 200 organizations, in addition to our original charter group.

Are you ready to be a part of a 75-year tradition? Join us and let us help you reach for the stars.
