MasterAssist Travel Assistance Services

Rely on Travel Assistance Services when you're away from home.

Travel Assistance Services is your guide to many important services you may need when traveling. Benefits are

designed to assist you or your travel companions when you're traveling 50 miles or more from home.* This is reassuring, especially when visiting a place for the first time or not speaking the language. For services, call **1-800-Mastercard**. Enrollment is automatic and the assistance service is free to cardholders. Please keep in mind that you will be responsible for the fees incurred for professional or emergency services requested of Travel Assistance Services (e.g., medical or legal bills).

* Travel Assistance Services are available worldwide, with the exception of those countries and territories which may be involved in an international or internal conflict, or in those countries and territories where the existing infrastructure is deemed inadequate to guarantee service. You may contact us prior to embarking on a covered trip to confirm whether or not services are available at your destination(s).

MasterTrip® Travel Assistance

Before you begin your trip, MasterTrip provides information on travel requirements including documentation (visas, passports), immunizations or currency exchange rates. The exchange rate provided may differ from the exact rate that issuers use for transactions on your card. Information on exchange rates for items billed on your statement should be obtained from the financial institution that issued your card. MasterTrip will also help you locate any lost or stolen travel materials, including luggage. This is not an insurance policy for lost/stolen luggage and we do not reimburse you for a permanent loss.

If you have a travel emergency and need cash, MasterTrip can arrange to transfer up to \$5,000 from a family member, friend, or business account.

This service does not provide maps or information regarding road conditions.

Travel Services Medical Assistance

Provides a global referral network of general physicians, dentists, hospitals and pharmacies. We can also help you refill prescriptions with local pharmacists (subject to local laws).

In the event of emergencies, a stateside physician or nurse can be contacted for consultation with the local medical staff and to monitor your condition. If you are hospitalized, we can arrange to have messages relayed home, transfer you to another facility if medically necessary, or have a family member or close friend brought to your bedside if you have been traveling alone (at cardholder's expense). If a tragedy occurs, we'll assist in securing travel arrangements for you and your travel companion(s).

MasterLegal® Referral Service

Provides you with English-speaking legal referrals or consults with appropriate embassies and consulates regarding your situation.

Will assist in transfers up to \$5,000 in cash from a family member, friend or business to cover legal fees or to post bail. There is no charge for referral services; however, legal and bail fees are your responsibility.

Master RoadAssist® Roadside Service

(Available only when traveling in the 50 United States and the District of Columbia)

If your car breaks down on the road, just call **1-800-Mastercard** and tell us where you are.

We'll send someone to the rescue. This is not only reassuring, but it may also save you money because fees for many services (jump-starts, towing, gas delivery, and tire changes) are pre-negotiated. Road service fees will be automatically billed to your Mastercard account.

You are responsible for emergency road service charges incurred by towing facilities responding to your dispatch, even if you are not with your vehicle (or it's gone) when the tow truck arrives. Mastercard International is not responsible or liable for the service the towing facility provides. Towing facilities are independent contractors, solely liable for their services.

Emergency road service is not available in areas not regularly traveled, in "off road" areas not accessible by ordinary towing vehicles, or for over one-ton capacity trailers, campers or vehicles-in-tow.

If you have a rental car, be sure to call the rental car agency before you call **1-800-Mastercard**, as many rental agencies have special procedures regarding emergency road service assistance.

High-Risk Transactions monitors a Consumer's high-risk transactions with more than 300 of the nation's largest companies to uncover and thwart account takeover attempts. Knowledge-Based Authentication (questions only an individual should know about themselves such as what street they lived on in 2009) used by organizations across industries limits the risk of identity theft or account takeover. Alerts are sent when a series of knowledge-based authentication questions are generated to validate the Consumer's identity (i.e. when accessing a credit report). Monitored transactions include:

- Credit cards
- Bank accounts
- Brokerage accounts
- Healthcare portals
- Workplace intranets
- Other services (e.g. peer-to-peer fund transfers)

Dark Web Monitoring provides monitoring of underground web pages people can visit without third parties being able to trace the location of the web visitors or the web page publisher. Dark web sites make up about .01% of the Internet

and are intentionally hidden or protected by encryption technologies and not accessible via standard web browsers.

Credit Information

Single Bureau Credit Monitoring monitors a Consumer's TransUnion credit file for changes that could indicate fraud such as new credit inquiries, an address change or new credit account(s) opened in their name. In order to use this service, Consumers must provide some personal information, such as name, address, date of birth, and SSN, and undergo either digital verification via text or knowledge-based authentication. ID Theft Protection sends alert notification emails, such as change of address alerts, anytime potentially unauthorized inquiries or suspicious activities on Consumer's credit file are detected so they can take immediate action to minimize damage.

Additional Information

Small Business ID Theft Protection upgrades ID Theft Protection identity monitoring services by adding URL and Domain monitoring to the existing list of monitored items. URL and Domain monitoring searches for the Consumer's business URL and domain (limited to 10 domains) within corporate data breaches, malicious third-party botnets and criminal forums.

2. RECEIVE ALERTS OF SUSPICIOUS ACTIVITY

- Email Addresses
- Debit/Credit Cards
- Loyalty/Affinity Cards
- Bank Account Numbers
- Passport Numbers
- Medical and Vehicle Insurance Cards
- Drivers Licenses
- National Identity Numbers/Social Security Numbers
- New Lines of Credit
- Address Changes

3. RESOLVE IDENTITY THREATS WITH SELF-SERVICE RESOLUTION OR SPECIALIST SUPPORT

Self-Service ID Theft Resolution Kit is a self-service resolution document which informs Consumers of the different forms of ID theft, and how to resolve each situation. Resolution tools in the kit include preventive measures, step-by-step guides and sample letters to be sent to collection agencies.

Access to Resolutions Specialists which assigns a personal case manager to help take care of everything.

Self-Service ID Theft Wizard provides step-by-step advice for many identity theft scenarios that Consumers

may face. All ID Theft Protection users have access to the Identity Theft Protection Kit found in the Profile section of their portal, which explains the many forms of identity theft and provides protective measures anyone can take to limit their risk. The kit also contains a Federal Trade Commission sample affidavit form, as well as sample letter templates for filing disputes in cases of identity theft or fraud.

Online Fraud Alerts allow Consumers to place a statement on their credit report that instructs lenders to contact the Consumer before issuing new credit. This makes it more difficult for an identity thief to open new accounts in their name. When Consumers place a fraud alert with one bureau, the other two bureaus are informed, and the alert is then placed on all three bureau files. Fraud alert placement is free, and alerts stay on the Consumer credit files for one year.
